MEMORANDUM TO COLONEL MAHOOD

It will be very much appreciated if you will effect the transfer to the O.S.S., for use in the S.I. branch, of Alexander Barmine, serial number ASN 32654737. The latest address which we have on record for him is Company D, Barracks 6, 1229 Reception Centre, Fort Dix, New Jersey. His draft board is #20, New York City.

He is an expert on political and military matters in Eastern Europe and the Balkans and we are anxious not to lose the use of his unique knowledge.
